Product Code: **BFV811240**

Create your file at this size:

2390mm x 2050mm

Save artwork in one of these formats:

Adobe Illustrator files AI or EPS - outlined fonts, embedded images, 150 dpi images, CMYK only

High Resolution PDF files – 100 dpi, outlined fonts, embedded images, CMYK only

High Resolution TIF files – 100 dpi, CMYK only

High Resolution JPG files – 100 dpi, CMYK only

Submit your artwork files using one of the following methods:

Files can be uploaded to our FTP server by clicking on the *Upload your images* heading in the *Help* section of our website menu and following the instructions.

Files can be posted to us in CD or DVD format. Our mailing address can be found by clicking on the *Company Info* link on the top menu of our website. Discs will not be returned.

Files under 10MB can be emailed to print@slimlinewarehouse.com.au

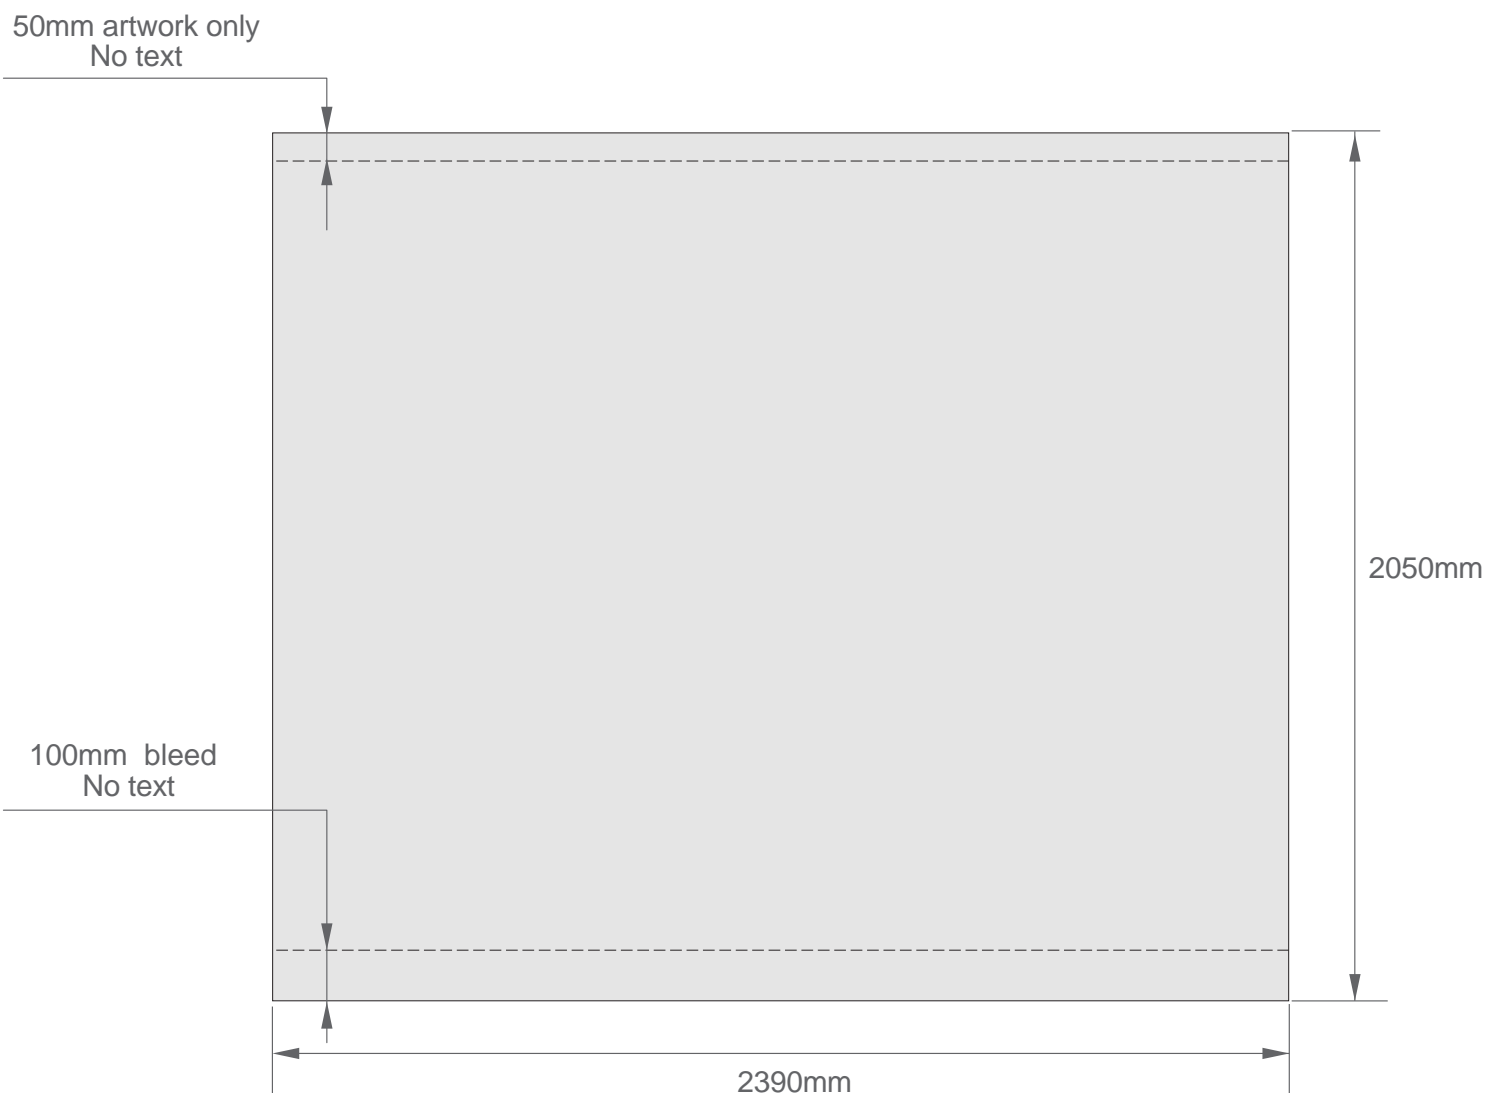

Print Lead Time:

1. This is a build to order item and will incur a 10 day lead time.
2. If you require a physical proof of your artwork, this will incur a \$120 proofing fee. This will push lead time to 14 days.

Once satisfied that your artwork file meets all requirements, we will send you a print proof via email. We will not proceed with printing until we receive a written confirmation (via email) formalising your approval of this proof.
