

Mounting Instructions for: DY03A0S, DY03A1S, DY03A2S, DY03A3S

1. First, decide on which orientation you would like to install the unit.
2. Locate the 4 mounting holes, indicated in the picture, and mark them onto the wall.

3. Drill holes and insert the wall anchors into the wall. Set the DY03 in place and screw to wall with the included screws.

4. Insert your poster into the 4 clips on the DY03. Close door and lock. You're done!
