Things to Consider

Please include all text necessary - A digital copy is preferred.

Supply all fonts that you prefer to have us use or outline the text.

Provide us with any brand guideline/ brand style guide your business has (if applicable).

Resolution should be 150dpi at full print size.

Embed any linked images .

Do not embed colour profiles in placed images or photoshop.

Please be specific as possible when describing the direction of how you wish to have all supplied text.
and graphics to be used and laid out.

Providing us with visual images will assist in communicating your vision, so please attach any examples.

Any questions regarding the form? Please contact the print team via email - artwork@slimlinewarehouse.com.au
