F. Care, Maintenance, Storage and Transport:

WARNING!

Please follow these instructions to avoid risk of electric shock and/or short circuit.

- The product is self-service, i.e. users do not require assistance to recharge their device.
- Always disconnect the power cord from the main power outlet first.
- Do not clean the product until the unit is powered off and unplugged from the main power outlet. Once unplugged, clean using a dry or slightly damp cloth. Avoid using cleaning products and do not allow liquid to enter the device.
- Do not install in a location where a person could potentially trip on the power cord or the product.
- During care, maintenance, storage and/or transport, avoid places that are wet, humid or have a high temperature.
- Carefully read and abide by the Safety Instructions for care, maintenance, storage and transport.
- We recommend using the original packaging for transportation to protect the product from dust and humidity.

G. Specifications :

Model	CLTBL6
Input	110-240 Vac 50/60Hz
Output	DC: 4x 5V/1.0A

H. Warranty and Liability:

- We grants a conditional 1 year warranty for this device from the date of purchase. Consumable parts (charging cable) carry 6 months warranty.
- The Warranty does not cover accidental damage or vandalism caused to the product.
- The Warranty also does not cover the charging cables. We have no control over how users treat the cables once the product is installed on your premises. Replacement cables can be purchased at an additional cost.
- If any fault or damage is detected on your device, please contact your dealer and provide your sales invoice and serial number of the product and batteries (if any) as evidence of the purchase, if necessary. Your dealer will repair the fault either on site or send the device to the manufacturer. You make the work of our technicians considerably easier, describing the possible faults in detail. If your dealer cannot be contacted, you can also contact us directly.
- We are not liable for damage to persons or property caused by improper installation or operation not described in this guide. Any alteration and/or modification of the product or its accessories immediately voids the warranty.
- Any use other than described in this user manual is not permitted, and causes loss of warranty, loss of guarantee, and non-liability.
