# Gondola Gridwall Assembly Instructions
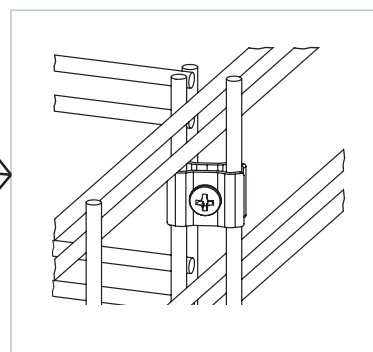

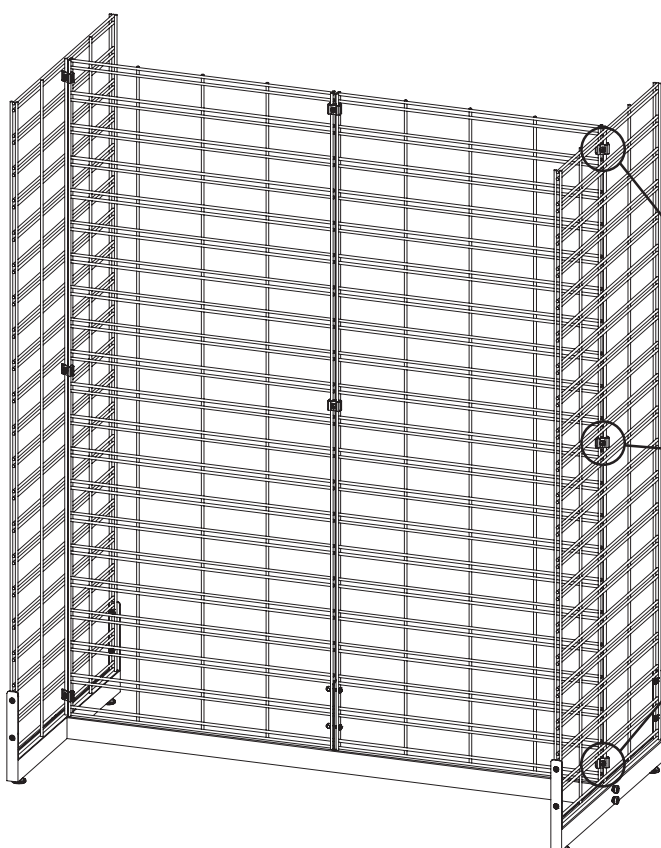

Step 1.
Attach first Gridwall onto base
with 4 screws, washers and nuts.

Step 2.
Place 2 Gridwall's onto the centre of base
and fix with 2 screws. Connect the adjacent
panels with Connectors as shown.

Step 3.
Place the last panel onto the base and
attach as shown in Step 1. Connect to
adjacent Gridwall using Connectors.
Recommended connector placement.

Gridwall ready to use
