Submit your artwork files using one of the following methods:

Files can be uploaded to our FTP server by clicking on the Upload Your Artwork button in the sidebar menu of our website and following the instructions.

Files can be posted to us in CD or DVD format. Our mailing address can be found by clicking on the *Company Info* link on the top menu of our website. Discs will not be returned.

Files under 10MB can be emailed to artwork@slimlinewarehouse.com.au
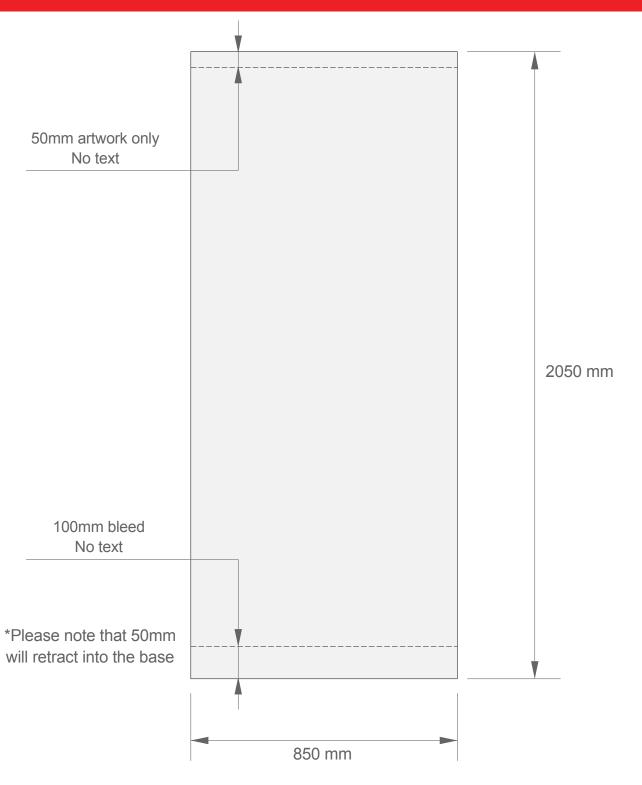

Print Lead Time:

Please allow 3 – 5 days for the completion of printing.
Once satisfied that your artwork file meets all requirements, we will send you a print proof by courier. We will not proceed with printing until we receive a written confirmation (via email) formalising your approval of this proof.
Production lead times commence AFTER your approval of the email proof
